## City manager issue tops Pahokee ballot

**PAHOKEE** - The fate of a city manager in Pahokee will be officially answered by voters in the municipal election, Tuesday, May 8.

In addition to determining whether the city will convert to a manager type of government, voters will determine the occupants of three city council seats and will be asked, in a straw ballot, if liquor should be sold within city limits on Sundays.

After several straw ballots on the manager question, Tuesday's election marks the first time the council will be bound by the public's decision.

A city manager, according to the proposed ordinance, would become administrative head and

### Meet Pahokee Council candidates. Page 6A.

chief executive over city government, a title currently held by Mayor Duncan Padgett.

The manager's duties would include: supervision of employees; hiring and firing; preparing an annual budget; and advising the council on financial condition and needs of the city.

No office would be abolished by the addition of the manager, but the mayor's duties would be drastically revised.

"The mayor shall be recognized as head of the government for ceremonial purposes," according to the proposal. The mayor would no longer have direct supervision over city employees.

The manager would not supervise the police department, as Police Chief Carmen Salvatore III would retain authority. Clerk Betty McCoy's

duties would change little, but her position would become an appointed office, rather than an elected seat.

The mayor and police chief would continue to be elected to two-year terms.

The manager would be appointed by the council and could also be fired by this body.

Voters will also be asked Tuesday, in a non-binding straw ballot, whether the city should allow liquor to be sold and served within city limits from 2 p.m. Sunday to 3 a.m. Monday.

The city code currently prohibits the sale of alcohol on Sundays.

**NATHANIEL CLAY**, one of seven Muslim inmates of Glades Correctional Institute, is asking for the right to wear a beard. He is shown preparing to testify in court Monday, April 30.

### GCI shaving issue to be resolved

By TOM KISKEN

**BELLE GLADE** - A ruling will be issued within a month determining whether Muslim inmates at Glades Correctional Institute have the right to grow beards for religious reasons.

Seven GCI inmates appeared before County Judge Don Adams in a hearing Monday, April 30, requesting a preliminary injunction which would nullify the institute's shaving regulations for Sunni Muslims.

Midway through the hearing Adams said he was becoming convinced the inmates were sincere about their religion and the desire to wear beards. He said he was also being swayed that

## Harrelle listed for Pahokee job

By TOM KISKEN

**PAHOKEE** - South Bay City Manager Lomax Harrelle is one of three people listed by the Pahokee City Council as candidates for an assistant utilities director position.

Harrelle, Pahokee City Council candidate Ed Lee and Paul Dixon were scheduled to be interviewed by Pahokee council members, Wednesday evening, May 2.

The assistant utilities director will eventually replace Utilities Director Bill Cross who will be leaving his post for vacation and then retirement as of July 1.

Harrelle, who did not submit an application for the job, had no comment on the situation. He did say he had been contacted by Pahokee officials about the possibility of working for the city.

Pahokee Councilman Jon Mock threw Harrelle's hat into the ring at an adjourned council meeting, Monday, April 30. Mock said Harrelle had indicated his interest in the utilities director position on several occasions.

"Just look at the job he's done in South Bay," Mock said. South Bay's water and sewage plants are in excellent condition, he stated.

Councilman Walt Rashley said Harrelle is also a qualified building inspector. Harrelle has served as South Bay city manager since 1980 and has worked for the city since 1975.

Council President Ada Conley said she favored hiring someone local to the area. She asked Ed Lee be given a chance at the job through an interview.

Lee said he would drop out of the city council race, if he is elected. "I think I can do more for the city as assistant utilities director," he said.

A resident of Pahokee for over two years, Lee, 51, has extensive experience in business and management. Most recently, he was educational director for a Massachusetts credit union. He has also served as vice president of foreign marketing for the Redder Corp.

Paul Dixon, 3419 Bacon Pt. Road, of Pahokee, will also be interviewed for the position. Dixon most recently worked for Resmondo Tractor, Belle Glade, and previously worked for Dixon Auto Sales.

Rashley stressed experience was one of the most important qualities for the utilities director. Councilman W.E. "Billy" McKinstry, on the other hand, said management skills are the most important asset. "Someone who can get someone else to do what they're supposed to do," he said.

Cross suggested the council revise its current public works and utilities staff and fill the opening without hiring an additional person.

Conley said the council needed to hire a replacement for Cross to insure that the city stays on top of any utility plant problems. Both the Department of Environmental Regulations and the Department of Health have cited Pahokee for plant inefficiencies.

"Someone's got to get on top of this thing and keep them off our necks," she said.

## Murder indictment filed

**BELLE GLADE** - A year and two months after a body was found on the Broward-Palm Beach county line, the Palm Beach County Grand Jury recently filed two indictments for first degree murder.

Charges will be brought against Gary Brown, 34, Dania, Florida, and Michael Williams, 33, Fort Lauderdale. The two will be arrested with the murder of Jerome Allen, whose body was found 2.5 miles west of US 27 on Feb. 13. He died due to gunshot wounds to the head.

Both Williams and Brown are currently in custody on other charges and will be arrested on the murder charges and brought to Palm Beach County Jail as soon as possible.

Details of the killing have not yet been revealed, but Detective Jessie Simonds, of the Palm Beach County Sheriff's Department Glades Substation, said the homicide occurred as a result of a drug rip-off in the Fort Lauderdale area.

According to Simonds' report, Allen and Charles Cooney, of Fort Lauderdale, broke into a

drug warehouse owned and operated by Brown. The day after the rip-off, Cooney was beaten by Williams, Brown and another man, Jamaican Mike. The three forced Cooney to confess to the rip-off.

Broward County Sheriff's officials charged both Brown and Williams with kidnapping and armed robbery. Williams was also charged with possession of cocaine.

Williams was convicted in October 1983 of false imprisonment and sentenced for five years. Brown is currently being tried in Broward County.

Another man charged in the beating of Cooney, Louis Savage, 32, Fort Lauderdale, was acquitted.

Simonds said that without the cooperation and investigation of Broward County enforcement officials, the indictments would never have been achieved. "Due to the combined efforts of Dade, Broward and Palm Beach County, more homicides will be solved," he said.

## South Bay youth missing

**SOUTH BAY** - South Police are searching for an apparent runaway child, a 13-year old boy last seen Friday evening, April 27.

Maurice Edward Posey, 13, son of Mrs. Pearl Mae Lott, 1101 Ilex St., was reported missing Saturday by his mother.

Posey is black, about 5-foot-4 and 105 pounds with a close cropped afro. He was last seen wearing blue

long pants with white stripes, a white t-shirt and black loafers.

Any information about the whereabouts of the boy can be relayed to the South Bay Police Department at 996-5511.

Police Chief Ray Humston said, "We don't suspect foul play, we suspect possibility of a runaway." He added that police are investigating all possibilities.

All state enforce-

ment agencies have been notified of the boy's disappearance.

The Dade Metro police is currently checking leads that the boy may be in the Miami area, where his father, Raymond Edward Posey, lives.

Posey's name will also be entered in the national computer system, which will alert all agencies of the situation, Humston said.

**MAURICE POSEY**

## Personnel policy study set

**SOUTH BAY** - Responding to a request for a grievance hearing from a recently dismissed city employee, South Bay commissioners indicated they will study personnel policies in a workshop.

Commissioner Clarence Anthony said a letter from recently dismissed city employee Cynthia Robinson "brings up some things that we need to improve." Anthony suggested a workshop be held within the next week.

Robinson, who was dismissed as a park maintenance person Monday, April 23 by City Manager Lomax Harrelle, asked in her letter to that he would follow any revised personnel policies set down by the commission.

A third duty of her job, she said, was cleaning alleyways. An inspection of the alleyways was held Monday at noon, Mrs. Robinson said, before she started her week of work. The inspection revealed a weekend of debris, she added.

Harrelle was informed of all the circumstances surrounding the lack of work, Robinson said, adding, "Termination seems drastic to me under the circumstances."

Harrelle said he would not comment on the matter until the workshop meeting. He added that he would follow any revised personnel policies set down by the commission.

Anthony said commissioners should not only discuss the specifics of Mrs. Robinson's complaints, but also general personnel guidelines and policies. "I will make some suggestions and hope

## Harrelle listed for Pahokee job

By TOM KISKEN

**PAHOKEE** — South Bay City Manager Lomax Harrelle is one of three people listed by the Pahokee City Council as candidates for an assistant utilities director position.

Harrelle, Pahokee City Council candidate Ed Lee and Paul Dixon were scheduled to be interviewed by Pahokee council members, Wednesday evening, May 2.

The assistant utilities director will eventually replace Utilities Director Bill Cross who will be leaving his post for vacation and then retirement as of July 1.

Harrelle, who did not submit an application for the job, had no comment on the situation. He did say he had been contacted by Pahokee officials about the possibility of working for the city.

Pahokee Councilman Jon Mock threw Harrelle's hat into the ring at an adjourned council meeting, Monday, April 30. Mock said Harrelle had indicated his interest in the utilities director position on several occasions.

"Just look at the job he's done in South Bay," Mock said. South Bay's water and sewage plants are in excellent condition, he stated.

Councilman Walt Rashley said Harrelle is also a qualified building inspector. Harrelle has served as South Bay city manager since 1980 and has worked for the city since 1975.

Council President Ada Conley said she favored hiring someone local to the area. She asked Ed Lee be given a chance at the job through an interview.

Lee said he would drop out of the city council race, if he is elected. "I think I can do more for the city as assistant utilities director," he said.

A resident of Pahokee for over two years, Lee, 51, has extensive experience in business and management. Most recently, he was educational director for a Massachusetts credit union. He has also served as vice president of foreign marketing for the Reddix Corp.

Paul Dixon, 3419 Bacom Pt. Road, of Pahokee, will also be interviewed for the position. Dixon most recently worked for Resmondo Tractor, Belle Glade, and previously worked for Dixon Auto Sales.

Rashley stressed experience was one of the most important qualities for the utilities director. Councilman W.E. "Billy" McKinstry, on the other hand, said management skills are the most important asset. "Someone who can get someone else to do what they're supposed to do," he said.

Cross suggested the council revise its current public works and utilities staff and file the opening without hiring an additional person.

Conley said the council needed to hire a replacement for Cross to insure that the city stays on top of any utility plant problems. Both the Department of Environmental Regulations and the Department of Health have cited Pahokee for plant inefficiencies.

"Someone's got to get on top of this thing and keep them off our necks," she said.

## Murder indictment filed

**BELLE GLADE** — A year and two months after a body was found on the Broward-Palm Beach county line, the Palm Beach County Grand Jury recently filed two indictments for first degree murder.

Charges will be brought against Gary Brown, 34, Dania, Florida, and Michael Williams, 33, Fort Lauderdale. The two will be arrested with the murder of Jerome Allen, whose body was found 2.5 miles west of US 27 on Feb. 13. He died due to gunshot wounds to the head.

Both Williams and Brown are currently in custody on other charges and will be arrested on the murder charges and brought to Palm Beach County Jail as soon as possible.

Details of the killing have not yet been revealed, but Detective Jessie Simmonds, of the Palm Beach County Sheriff's Department Glades Substation, said the homicide occurred as a result of a drug ripoff in the Fort Lauderdale area.

According to Simmonds' report, Allen and Charles Cooney, of Fort Lauderdale, broke into a

drug warehouse owned and operated by Brown. The day after the rip-off, Cooney was beaten by Williams, Brown, and another man, Jamaican Mike. The three forced Cooney to confess to the ripoff.

Browards County Sheriff's officials charged both Brown and Williams with kidnapping and armed robbery. Williams was also charged with possession of cocaine.

Williams was convicted in October 1983 of false imprisonment and sentenced for five years. Brown is currently being tried in Broward County.

Another man charged in the beating of Cooney, Louis Savage, 32, Fort Lauderdale, was acquitted.

Simmonds said that without the cooperation and investigation of Broward County enforcement officials, the indictments would never have been achieved. "Due to the combined efforts of Dade, Broward and Palm Beach County, more homicides will be solved," he said.

## South Bay youth missing

**SOUTH BAY** — South Police are searching for an apparent runaway child, a 13-year old boy last seen Friday evening, April 27.

Maurice Edward Posey, 13, son of Pearl Mae Lott, 1101 Ilex St., was reported missing Saturday by his mother.

Posey is black, about 5-foot-4 and 105 pounds with a close cropped afro. He was last seen wearing blue

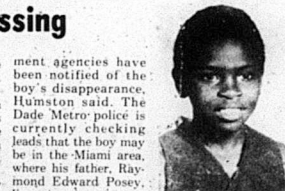

long pants with white stripes, a white t-shirt and black loafers.

Any information about the whereabouts of the boy can be relayed to the South Bay Police Department at 996-6511.

Police Chief Ray Humston said, "We don't suspect foul play, we suspect possibility of a runaway." He added that police are investigating all possibilities.

All state enforcement agencies have been notified of the boy's disappearance, Humston said. The Dade Metro police is currently checking leads that the boy may be in the Miami area, where his father, Raymond Edward Posey, lives.

Posey's name will also be entered in the national computer system, which will alert all agencies of the situation, Humston said.

MAURICE POSEY

**SOUTH BAY** — Responding to a request for a grievance hearing from a recently dismissed city employee, South Bay commissioners indicated they will study personnel policies in a workshop.

Commissioner Clarence Anthony said a letter from recently dismissed city employee Cynthia Robinson, "brings up some things that we need to improve." Anthony suggested a workshop be held within the next week.

Robinson, who was dismissed as a park maintenance person Monday, April 23 by City Manager Lomax Harrelle, asked in her letter to meet with commissioners to "refute and defend my termination."

Saying she was terminated for doing little or no work, Robinson wrote that faulty equipment prohibited her from doing her job — mowing the park and cleaning bathrooms.

A third duty of her job, she said, was cleaning alleyways. An inspection of the alleyways was held Monday at noon. Mrs. Robinson said, before she started her week of work, The inspection revealed a weekend of debris, she added.

Harrelle was informed of all the circumstances surrounding the lack of work, Robinson said, adding, "Termination seems drastic to me under the circumstances."

Harrelle said he would not comment on the matter until the workshop meeting. He added that he would follow any revised personnel policies set down by the commission.

Anthony said commissioners should not only discuss the specifics of Mrs. Robinson's complaints, but also general personnel guidelines and policies. "I will make some suggestions and hope Continued on 2

# South Bay

the city will follow them," Anthony said. Employees need to know to whom they should voice complaints, he said. Commissioners should offer advice, but should not be directly involved in personnel decisions, Anthony continued. Commissioner Vernita Cox disagreed. "Her (Robinson's) last step is the commission," she said, explaining that after voicing complaints to supervisors, employees should feel free to address the commission. Harrelle also told commissioners Annette

Johnson, of Lake Harbor, had been hired as a water clerk and cashier. Harrelle said he and Clerk Virginia Walker had reviewed several resumes and had tried to pick the best qualified person. Anthony asked employment positions be posted around South Bay in the future. "I would like to encourage the young people to apply for these jobs," he said. In other city business: Commissioners indicated their interest in a

request to set up a private concession stand at Douglas Tanner Park. Cox said the stand should be portable. Harrelle said he would investigate the issue further. The commission will also continue to pursue obtaining lights for Vernita Cox Park. Harrelle told commissioners the lights would cost about \$16,000. Cox suggested beginning a Little League program when lights are installed. A letter of support was sent by the commission to congressional leaders, regarding a minor-

ty business tax asset bill to be considered by the House of Representatives. Harrelle told commissioners Palm Beach County employees are beginning resurfacing work on several city streets. The work, he said, is funded by the county. Through grants from community development and other agencies, the city should gain over \$500,000 in capital improvements, Harrelle said. "We'll be resurfacing a lot of streets this year," he said.

## Civic leader killed in crash

**BELLE GLADE** - Local civic leader Lee Berryhill died Wednesday, April 25, in a traffic accident on US 27, five miles north of South Bay. According to the Florida Highway Patrol, Berryhill, 64, 1416 E. Canal St. S., Belle Glades, was travelling south in the northbound lane when another vehicle collided with his car. Apparently, Berryhill had driven into the wrong lane after leaving John Stretch Park on his way toward

Belle Glade. Wilmer Lucas, 47, 115 SW Tenth Ave. No. 10, was reportedly headed north in his '76 Ford when he came upon Berryhill. Lucas suffered a dislocated hip and one of his three passengers, Ella Mae Allen, 31, of South Bay, suffered a fractured leg. Trooper D. Beavers worked the accident, while Trooper E.E. Hingson was the homicide officer.

DR. D.F. MYERS, pathologist at the Everglades Research and Education Center, explains one of the center's projects to area farmers at Vegetable Field Day, Thursday, April 26.

## Farmers learn from researchers

**BELLE GLADE** - Glades farmers were brought up to date on agricultural research at the Vegetable Field Day, held Thursday, April 26, at the Everglades Research and Education Center. EREC personnel spent the day reviewing their research for farmers, shedding light on new developments in vegetable farming. Palm Beach County Extension Agent Ken Shuler said the purpose of the bi-annual field day is to highlight the work being done at the

research center. Some of the research is directly applicable for farmers, he said, although most is still being developed. Dr. Emil Wolf noted that agriculture is an ever changing field. As new technology becomes available and is applied to agriculture, better and more efficient varieties of plants are developed. The field day is one way farmers have up keeping with the times, Wolf said. At the field day, Wolf spoke on recent improvement of sweet corn and celery varieties. Wolf pointed Florida Staysweet corn, which he developed, "as the variety of the future." Wolf said his goal is to produce an earlier maturing, longer eared Staysweet type of sweet corn hybrid with improved resistance to blight and higher yielding potential. Farmers also heard presentations, in virtually all different vegetable crops, on

# Pahokee area businesses team up with hospital

Two of the super-markets in Pahokee, Foodway and Thriftway have joined efforts with Everglades Memorial Hospital to provide better health care for the Pahokee area residents. During National Hospital Week, May 6-11, the owners of the supermarkets are making available their facilities as locations for health care screening.

One of the community planners on the committee to provide the health care screening, Mr. James Bennett, president of the Pahokee Chamber of Commerce, said, "we are very proud of our Everglades Memorial Hospital. Just the fact that they are providing these health care services free to the area residents shows their sincerity, it shows that they are 'The Caring Kind'. During hospital week we all should be out there showering them with our best wishes, and here they are during their special week of recognition doing more for us.

It's good to have a local hospital so progressive, caring and affordable, be a part of the community. The employees at Everglades Memorial Hospital are involved in every facet of our community, they are our

community. I am proud to salute Everglades Memorial Hospital and hope each person in the community will take time to let them know that we appreciate the hospital, its staff and volunteers," he added. Tuesday, May 8th, the "Health Mobile" will be at the Thriftway Supermarket from 10:30 a.m. to 6:30 p.m. Mr. George Crews of Thriftway made the

necessary arrangements for the Health Mobile to be at that location.

On Thursday, May 10th, the "Health Mobile" will be located at the Foodway Supermarket, from 10:30 a.m. to 6:30 p.m. Mr. Harlen White was responsible for making that location possible.

The Palm Beach Kidney Foundation, Inc. will have staff at each

location and will provide unanalyzed screening and evaluation by their staff physicians of the urine and blood tests to detect possible kidney and renal problems.

The laboratory staff at Everglades Memorial Hospital will collect blood specimens from those desiring a complete chemistry profile. The chemistry profile is an 18 test chemistry bat-

tery that includes tests for diabetes, kidney, cardiac, liver and other potential problems. No blood specimens will be collected from anyone under the age of 18 unless they have a Physicians order.

Lake physical Therapy, Co., a contract service of Everglades Memorial Hospital will have trained respiratory therapy specialists to perform pulmonary

function testing. These respiratory (lung) vital capacities tests will screen for active and potential lung problems.

The Nursing and EMS services of the hospital will provide blood pressure screening. Anyone desiring to have their blood pressure monitored for potential problems can receive this testing free also. "It must be pointed

out that these screening procedures are not a substitute for going to a personal physician, said Dan Anderson, administrator at Everglades Memorial Hospital.

Mr. Anderson went on to say, "It's very gratifying to see the area businessmen become involved in health care delivery. Its these men who deserve the credit, they are pro-

viding, the water, electricity, and surley not the least their business space for this large Mobile Health Unit. I'm very proud of their concern for proper health care screening in the Pahokee area."

Anyone interested in having the health care screen should present themselves at the desired location on either May 8th or May 10th.

## Attempted murder charged

**BELLE GLADE --** Police arrested a local woman for attempted first degree murder after a shooting on SW Fifth Street, Thursday, April 26.

Betty Jean Jones, 917 SW C Place was arrested and placed under a \$10,000 bond after she reportedly confessed to shooting Simeon Agard Inniss, alias Levi Johnson, 41, 210 Sixth St.

Inniss was reported in critical condition at Good Samaritan Hospital.

Belle Glade Police Detective Jack Fulenwider Jr. reported the incident occurred at about 4:20 p.m. Saturday at a shoe shine business at 225 SW Fifth St.

Patrolman Fred Reber reported that he found Inniss laying face down on the floor. Several witnesses told police Jones shot Inniss four or five times with a .38 calibre gun.

Fulenwider reported that Jones called the police station about 30 minutes after the shooting and reported the incident. Police picked the woman up outside the Sunset Grocery, SW Eighth St. and SW Ave. C. No weapon was discovered.

## Small Business Week

Small business in America is getting bigger all the time. And more important.

Example: There are almost 14 million small businesses today — more than three times the total 30 years ago.

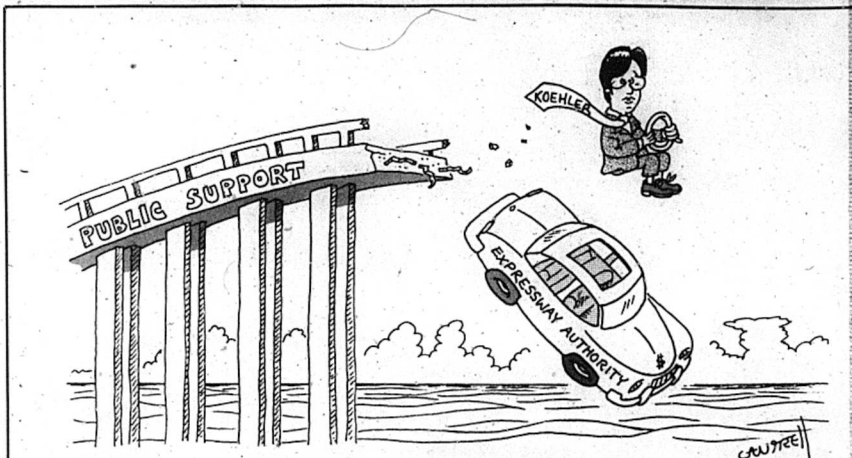

Example: During the last recession, while big businesses were laying off workers, small business continued to hire. Result: During 1980-82 there was a net job increase of almost one million workers, all thanks to small firms.

Example: Since the economic recovery began in 1982, employment in industries dominated by small firms has grown faster than in big business-dominated industries.

Example: Small business employs about half of the country's private labor force.

The conclusion comes easy. The health of America depends in large part on our small business owners. That's very good reason for all of us to join in saluting these entrepreneurs during National Small Business Week, president Reagan said, "America's strength lies in the ingenuity and perseverance of its people. No other group of Americans better exemplifies these qualities than the Nation's small business owners."

We join in that salute.

## A look back...

50 YEARS AGO  
THE EVERGLADES NEWS  
MAY 4, 1934

State Road 194, formerly Connors Highway, was closed between Canal Point and 20-Mile Bend while repairs were being made.

The B and B Grocery at Pahokee, under management of P.E. Foster, was moving to larger quarters in the same building over the weekend. The new place in the P.R. Hendricks building had been repainted for the move.

40 YEARS AGO  
THE EVERGLADES NEWS  
APRIL 28, 1944

Paul Rardin, publisher of the Everglades News, announced his candidacy for County Commissioner in a large add on the front page of that week's issue.

John Dulaney, former Pahokee mayor announced that week his candidacy for mayor of Pahokee again. He was running for the office then held by O.B. McClure.

20 YEARS AGO  
THE BELLE GLADE HERALD  
APRIL 30, 1964

Three wrecks, two on SR 80 and one on US 27 took six lives the previous Saturday night during a rainstorm.

Construction of Atlantic Sugar Association was on schedule and a November grinding season was expected.

10 YEARS AGO  
THE BELLE GLADE HERALD  
MAY 2, 1974

A fire destroyed the abandoned ice house at Lake Harbor. Firefighters battled the blaze for hours but were handicapped by a lack of water at the scene.

The lifting of a moratorium and approval of modifications to the City of Belle Glade's sewage treatment plant were delayed by a lack of information from the engineers.

FRANK BELK, former manager of Glades Day School, accepts a plaque from Suzanne Harper Saturday in memory of his brother, The Fly-In was dedicated to the late Sam Belk, who managed the airport from 1967 until 1976.

## A and M choir to perform

BELLE GLADE — The Florida A & M Gospel Choir will give two performances Friday, May 4.

The first performance will be at Glades Central High School, the second performance will be at the Mount Calvary Baptist Church, Raldiville at 8 p.m.

Both services are free and open to the public.

## Academic banquet planned

Dr. Effie C. Grear, principal of Glades Central High School, has announced the Annual Academic Awards Banquet, recognizing students on all grade levels who have received or deserve to receive awards for academic achievement during the school year, will be held at 7 p.m. in the annex cafeteria on May 30.

Dr. Grear asks that any individual, club, or organization desiring to present an award or scholarship at that time, please contact her at 996-0945 as soon as possible.

## Letter to the editor

Dear Sir:

The purpose of our Black Gold Jubilee each year is to really show our younger generations and a review to who we were pioneers of this area of the heritage that is ours. I am glad George and I started out and helped build what is a fine city today.

When you were relating all the accolades that were justly deserved we were surprised when our radio station was mentioned.

They were at the

pavilion Saturday and Sunday by live remote a costly service meant to be entertaining and it was. Phil Haire, general manager, had a brilliant idea so near Easter, and in colorful plastic eggs a prize was inside. Some of great value — some less, but from the crowd anticipation we heard it did afford much fun and anticipation to the many who came by. They were interviewed and told the prize and sponsor in the egg. They had a great time each.

We feel a salute to Phil Haire and his crew is proper. This is, or should be, a great pride to our area as they are going on their 39th birthday in October. A very successful and well run station serving eighteen South Florida counties every day all day. We salute you Phil and crew and may each year be more successful than the last. Sincerely and grateful, Dorothy and George Scarborough from 1981 to 1984

## Beards—

Continued from 1

the beards were a deep rooted principle of the Islam religion.

"The burden is beginning to shift," Adams said.

Adams said he would make his final decision after reviewing final legal entries by both the defense and plaintiffs.

Abdul Khalid Inuwa Amin, spokesman for the inmates, said the beards allowed believers of Islam to emulate the Prophet Muhammad who, according to Islam faith, wore a beard dyed red. "Muslims wear beards for the spiritual benefit," Amin said.

McKinley Peoples, another inmate professing to believe in Islam, concurred, "My sincerity in wearing the beard is to keep me from wrongdoing."

GCI and Department of Correction officials, testifying at the hearing, said the institute's security concerns overrode the plaintiff's rights.

Dave Brierton, inspector general for the Florida Department of Corrections, said, "Anyone who wants to escape will become a Muslim and grow a beard."

"Once you open that door, you're opening it for abuse," Brierton added.

Robert Turner, GCI superintendent, told the court that allowing beards would cause significant problems at GCI in security and in identifying escapees.

Beards allow inmates to change their facial identity quickly and remarkably, Turner said.

Guards do not expect inmates to wear beards, he said, recalling one recent escapee who was passed undetected three times by guards because of a beard.

Dr. Orlando Rodriguez testified that about 80 GCI inmates wear beards for medical reasons. Amin asked the court why religious rights were not viewed with the same discretion as medical needs.

Brierton said prison officials could verify medical reasons for wearing beards, but had to trust the inmates in regards to religious reasons. All seven inmates testified that they were sincere in their religion. They said they pray five times a day, attend weekly services and observe religious holidays.

Amin said his beliefs keep him out of trouble. "I don't do wrong things. I have tried to correct myself."

Claude Brown, a recent Muslim convert, said, "I'm coming into something that I think will help me from coming back."

John Davenport, chaplain at GCI, said he believed a small core of the inmates were sincere in their Muslim faith. He noted during 1983 an average of about three inmates attended weekly Muslim services. In 1984 so far, the number has fluctuated from three to six people.

After reading several books on Muslims, Davenport said he had found little about the importance of beards.

ED LEE

RONNIE GRAYDON

JON MOCK

3 seats are being contested by 7 candidates.

# Pahokee voters go to polls Tuesday

**By TOM KISKEN**  
PAHOKEE — Three seats on the Pahokee City Council will be up for grabs Tuesday, May 8, as residents hit the polls.

Seven candidates are vying for the three seats. Ronnie Graydon is trying to keep his Group One seat despite the challenges of Ed Lee and Glen Carrick.

Incumbent Ada Conley and Bill Johnson are vying for Group Two representation. Jon Mock defends his Group Three seat against Curtis Miners.

A run-off election, if needed, will be held Tuesday, May 15.

Mayor Duncan Padgett, Clerk Betty McCoy and Police Chief Carmen Salvatore III all regained their posts for another two-year terms, as no opposing candidates surfaced.

All council candidates identified three major issues: city manager, the marina lease and the utility situation. A summary of the views expressed by each candidate follows:

## Group One Carrick

Glen Carrick, 56, 198 S. Lake Ave., said "There are a lot of problems that need constant attention."

"I've got the time to serve and I will take the time to work with department heads," said Carrick, who is making his third try at a council seat.

Carrick said he is opposed to both the city manager and the 50-year lease of the city marina to Pahokee Marina Development Corp. "I don't see where the city's gaining too much from the contract," he said of the lake front issue.

The owner of Carrick's Muffler, he has lived in Pahokee for the last 18 years.

## Graydon

Seeking his second consecutive term on the council, Ronnie Graydon, 43, 140 N. Flame Ave., said while he favors a city manager, the manager should have control over all city departments.

Graydon said the city's 50-year lease of the city marina to Pahokee Marina Development Corp. "I don't see where the city's gaining too much from the contract," he said of the lake front issue.

The council is working toward improving both the city wastewater and water plants, Graydon said. "I'd like to be around to see it through," he said.

Graydon is a lifelong resident of Pahokee and works as assistant manager with the South Florida Conservancy District.

## Lee

The desire to help others, Ed Lee said, motivated him to enter the commission race. "I want to personally do what I can to help the people of Pahokee," he said.

Lee, 51, 2597 Bacom Point Road, has also applied for the city's assistant utility director position. He said he would withdraw from the commission election, if hired as assistant utilities director. "I think I can help people more as an assistant utilities director," he said, adding that he is enthusiastic about the chance to help the city in any capacity.

Pahokee does not need a city manager at the present time, Johnson said, adding that in the appropriate setting a manager type government can work well.

Lee said he thought the 50-year marina lease covered too long a period of time. He said the basic idea of developing the lakefront could be beneficial to the city.

While he personally opposed buying alcohol on Sundays, Lee said he would follow the public's mandate on this issue, if elected.

Lee has extensive experience in business and management. He came to the Glades three years ago, after serving as educational director for a Massachusetts credit union. Previously, Lee was vice president of foreign marketing for Reddex Corp.

## GROUP TWO Conley

Council President Ada Conley, 49, 388 Kismet Ave., said her main campaign goal is, "Get the voters out, there are a lot of important things to be decided in this election."

"I just wish to serve the people. I don't care to serve any special interest group," she said. Conley, seeking her second council term, said she favors a city manager. "I feel like it would do far more efficient operations."

It remains to be seen, if the marina lease will benefit the city, she said.

The city's water and sewer problems are of primary importance at this point, Conley said. The council is working toward resolution of these problems, she noted.

Conley, a Pahokee native, is an accountant with the Leonard Dobrow Accounting Firm.

## Johnson

Bill Johnson, 41, 165 Greenstar Ave., said the city council should follow the public's desires, and not blindly follow personal beliefs.

Maintaining Pahokee should not convert to a city manager type of government, Johnson said. "We can't afford one (manager) qualified to do the job and we sure don't need a rookie."

The Pahokee born Johnson said he felt the lease of the city marina hurt the citizens of Pahokee. "I'm against anything that takes away from the citizens of Pahokee," he said.

## GROUP THREE Miners

Curtis Miners, 54, 316 Kismet Ave., stressed his ability to serve as full-time councilman.

Asked why a voter should select him as a council choice, Miners said, "I'd be a full time council member, I'm against raising taxes and I'm against using water and sewer rates."

A councilman twice previously from 1966-68 and 1977-81, Miners said he was opposed to a city manager form of government. If council

members are willing to spend the time and effort, the current council-major form of government can be effective, he said.

Miners said he was willing to consider the possibility of adding a finance director to the city staff.

Saying that the entire lakefront lease issue was unsettling, Miners stated, "I'm not for any kind of lease for 50 years."

## Mock

Incumbent Councilman Jon Mock, seeking his third term on the council, said, "I think the past speaks for itself."

Mock, 27, 259 Bacom Point Road, said the council's achievements include improving the water plant, purchasing an incinerator, starting three paving programs and rehabilitating the sewage plant.

Pahokee needs a city manager to put the council's decisions to work, Mock said.

The lakefront issue is badly misunderstood by the public, Mock said, explaining that public access will not and cannot be denied. The council is not giving the lakefront away, he stressed.

Mock is a native of Pahokee and is currently payroll manager for South Bay Growers.

## Airplane crash lands west of South Bay

**SOUTH BAY** — An airplane made a crash landing on a cane field about 8 miles west of South Bay, just off US 27, Saturday, April 28. Three occupants escaped the crash with minor injuries.

Curt Bogle, 30, Coral Springs; his wife Lynn and their daughter Kristin, 4, all escaped from the plane, which had flipped in the soft muck, through a passenger window. All three were treated and

then released from Glades General Hospital.

According to the report issued by Detective Sgt. Steve Lane, Palm Beach County Sheriff's Department Glades Substation, the plane was on its way to Clewiston from Fort Lauderdale. Bogle told officials the Grumman craft lost power, forcing him to land in the field.

After escaping the

plane, the Bogles walked to Julie Sanchez's residence, where they notified the sheriff's department of the accident.

## Glades felony cases filed

The following felony cases were filed in the Glades by State Attorney David H. Bludworth the week of April 16.

Robert Charles Thomas, G.C.I., Belle Glade, Florida, battery on corrections officer.

Willie James Royal, 1217 S.W. Ave., Belle Glade, Florida, possession of marijuana over 20 grams with intent to sell.

Edward Lynn Scarlett, 768 Jefferson Avenue, Pahokee, Florida, possession of marijuana over 20 grams, possession of marijuana over 20 grams with intent to sell.

Cassandra Dennise Simmons, 416 S.W. Ave. B Place, No. 7, Belle Glade, Florida, possession of cocaine, possession of cocaine with intent to sell.

Allen Lee Colbert, 525 S.W. 4th Street, Belle Glade, Florida, 2

counts of aggravated assault.

Thomas Lee Sprague, G.C.I., Belle Glade, Florida, kidnapping.

Hubert Santoyo, 68 Osceola Center, Belle Glade, Florida, possession of mariju-

ana with intent to sell, aid and conducting a lottery.

Vernon Darrell Amos, 620 S.W. 10th Street, Belle Glade, Florida, armed robbery, grand theft.

Want to improve your cash position?

Take a look at Bank of Pahokee's NEW leasing program.

Now leasing equipment for your business is as convenient as a visit to your nearby Bank of Pahokee office. Bank of Pahokee is introducing new business lease plans. From farm tractors and implements to lease plans, a delivery truck to an entire fleet, medical and dental equipment to helicopters—anything to make your business go—and grow! Your accountant can show you the many advantages of leasing over buying... longer and more flexible terms, a wider choice of equipment and vendors... smaller monthly payments... virtually 100 percent financing... cash flow and important tax benefits. Bank of Pahokee offers business leasing at competitive rates plus the convenience of dealing with a full service bank trusted for over 63 years. Come in today and ask a Bank of Pahokee Leasing counselor for details.

Tomorrow's banking today...from the bank with a 63-year tradition of service.

Two FULL SERVICE locations to serve you.

## Beta Sigma Phi observes 53d

The fifty-third anniversary of the founding of Beta Sigma Phi Sorority was celebrated locally on Saturday, April 28. Members of Xi Iota Chapter hosted a champagne luncheon at Ringland Hall.

The luncheon was attended by representatives from all local chapters. Mrs. Echo Painter, coordinated

the event.

Serving and dining tables were decorated with arrangements of fresh spring flowers designed by Mrs. Linda Miller. The luncheon was prepared by Mrs. painter and Mrs. V.rian Miller.

Mrs. Janis Fiehls and Mrs. Karen Corbin provided musical entertainment. Live and Informative reports from chapter

presidents of Preceptor Gamma Omicron, Omicron Iota, Nu Kappa, Mu Upsilon, Xi Zeta Alpha, and Xi Zeta Mu were presented.

The theme for the 1984-85 sorority year, "Paint A Living Masterpiece", was announced and door-prizes were won by many of those attending.

## Xi Zeta Mu installs officers

**Xi Zeta Mu Chapter** of Delta Sigma Phi held their monthly meeting Monday, April 23 at 7:30 p.m. at the home of sponsor Mrs. James Evans. Officers for the coming year were installed: **President**, Cathy Lee, **Vice President**, Mrs. REBEKAH KENNER, **Secretary**, Corbin; **Corresponding Secretary**, Merelyne Cochran; **Treasurer**, Gloria McDaniel; **Public Officer**, Sandra Chamblee; **Sponsor**, James Evans. Mrs. Evans, as the service project, collected 10 items which will be delivered to the Ronald McDonald House in Memphis. Mrs. Evans also will be sponsoring a student for the State Special Olympics Program to be held at the University of South Florida, June 1-3. Members attending the meeting were: Mrs. Sandra Chamblee, Mrs. Laura McDaniel, Mrs. Cathy Lee, Mrs. Karen Corbin, Mrs. Gloria Swager, Mrs. Johanna McGee, Mrs. Gloria Swager, and Mrs. James Evans.

THE HIGHEST AWARDS IN GAINS and individual achievement in reading and reading comprehension were given to six students in Lake Shore Elementary's School Terminal Center. Front row from left is: Katrina Lane, Elizabeth Cordero, Natoria Jones and Paul Seabrook. Second row: Edith Simon, Cynthia Stewart, Wakisha Davis and Serena Flowers. Third row: Instructors Mrs. Meadow, Mrs. Perez and Mrs. Bell. Not shown is award winner Omar Martinez.

## Students awarded

**BELLE GLADE** -- Nine sixth grade students enrolled in the Lake Shore Elementary School's terminal center received awards for achievement in reading and comprehension, Thursday, April 26.

The program is an educational tool to assist and motivate migrant students. The students are taught by instructors Laura Odom and Ruby Smith.

Those honored were Omar Martinez, Serena Flowers, Wakisha Davis, Cynthia Stewart, Edith Simon, Paul Seabrook, Nator Jones, Elizabeth Cordeiro and Kathrine Lane.

## Hospital Auxiliary meets in Pahokee

The Everglades Memorial Hospital Auxiliary met Tuesday, April 24, 1984, in the Doctor's Lounge. The meeting was presented by President, Ilmaae Lampi. Addie Thompson, secretary, introduced Nancy Smith of Belle Glade. She is a member of the Board of the Palm Beaches Senior Center and as a member of the Auxiliary of Glades General Hospital, she will be the diavascular clinic. She talked briefly on the importance of early diagnosis of heart disease and then showed a film, "Word of Mouth," which concerned cancer of the mouth. Nancy Smith introduced her

# Power boat racer killed

By JEFF BATER  
A Matawan, N.J., speedboat racer was killed Saturday in an accident which destroyed his boat—moving nearly 160 mph—in the Third Annual Kilo Time Trials.

George Andrews, Jr., 36, died at Hendry General Hospital in Clewiston where he was taken after rescuers pulled him from the Caloosahatchee River.

Andrews had just set a world record of 157.425 mph when he decided to run the kilometer-long race course one more time.

Observers said Andrews was propelled about 200 yards across the water after his north-bound boat flipped then shattered.

"I'm sure went to pieces," one man said. Andrews was reportedly not breathing and had no pulse when rescuers reached him.

Wife, Barbara, was at the races when the boat flipped.

Before the fatal run, Andrews had already made two passes of the five-eighths mile stretch, topping the existing record by more than 18 mph, considered a wide margin by officials.

Jim Merten, Jr., who was watching the races, said Andrews never knew what his times and speeds were on his first two runs and he did not have to make the third run.

Called America's Challenge, Andrews' boat, owned by Dick O'Dea, had a 122-cubic-inch outboard Mercury engine.

Observers say the boat turned at a slight angle, and flipped sideways twice before going to pieces. Andrews was thrown from the boat and somersaulted and bounced over the river's surface.

The remains of his boat were plucked from the water and taken away in a pickup truck. The boat's engine was retrieved after the races that day.

Preliminary findings indicate that a rudder-like device called a skeg broke off the boat and apparently led to the flip, according to Art Lukens, a referee at the weekend time trials.

At 160 mph, the only part of the boat in the water is the skeg, the driver's only link with control of his craft.

Following Andrews' last run, driver James "Red" Hadden's boat also flipped. However, the Miami man escaped injury.

Observers said the right sponsor, or hull, of Hadden's craft rose from the water, the bow shot up and the driver was dumped in to the water. He was swimming around and waving his arm as rescuers approached, according to observers.

BELLE GLADE police are investigating an accident, Tuesday, May 1, in which two people were injured. Xiomara Martinez, of Belle Glade, is listed in stable condition, while Yolanda Mator is being treated at Good Samaritan Hospital. The accident occurred at Main Street and Eight Street. Patrolman Shave Ciofi said apparently a van, in which Mator was found, failed to yield when crossing Main Street and collided with a car driven by Martinez. No charges have been filed.

## \$50 million cocaine bust reported in Glades

By JEFF BATER

A Miami man is being held on \$1 million bond and an estimated \$50 million of cocaine has been netted in the largest drug bust of its kind in Glades County.

Raul Perez, 52, was in Glades County Jail as of Tuesday, charged with trafficking in cocaine in connection with the confiscation of 713 pounds of the drug by lawmen Friday, according to Sheriff Russell Henderson.

Perez faces circuit court arraignment, possibly later this month. Maximum sentence for the charge is 95 years in prison, the sheriff said.

Investigation continues and more arrests are expected, Henderson said.

The cocaine, which was pure, has been sent to the federal Drug Enforcement Administration in Miami for testing, he said.

Henderson added that if cut, the cocaine might have been worth \$200 million.

The sheriff detailed the bust—just north of the Brighton Indian Reservation—which included assistance by Highlands County lawmen and U.S. Customs officials:

A confidential Okeechobee County informant tipped authorities about 2:30 p.m. Friday that an airplane with the drugs would land between 5 and 5:30 p.m. in a field near the northwest corner of the reservation.

Area surveillance was set up and a Customs plane was requested to try to intercept the craft.

At about 5:25, the airplane landed. Never stopping, it headed back into the air after several duffel bags were pushed out. The Customs plane missed the craft by about six minutes.

Lawmen later pulled over two trucks on a road—about three miles south of State Road 70—leading from the area. Perez, driving a 1983 GMC, and another man in a 1984 Ford were detained.

Questioned, the men claimed they lost the keys to locked truck compartments. The vehicles were impounded and towed to Moore Haven and the men were taken into custody.

After getting a search warrant, officers found 14 large duffel bags of cocaine stored in the GMC. The Ford had no drugs inside and its driver was released.

Henderson said the cocaine was kept under armed guard at the sheriff's office until shipped to DEA.

## Sorority donates eggs

Members of the Iota Omicron Zeta Chapter, Zeta Phi Beta Sorority donated eggs to Preschooler at the following School Centers! Pahokee Elementary, Gove Elementary, Belle Glade Elementary, Gladeview Elementary, Rosenwald, Villa Lago and Okeechobee Child Development Center.

## Earsley completes basic training

## Raider track teams enter regionals

**BELLE GLADE** -- Glades Central's road to state track titles is getting shorter, but the bumps on the path are getting bigger.

Both defending state champ girls and boys track teams will face some of their toughest competition of the year in the last stepping stone to the state tourney, the regional meet scheduled for Friday, May 4 at Tropical Park High School in Miami. Preliminary events will begin at about 4 p.m. and finals will begin at 7 p.m.

**Boys**  
The boys enter the regionals on the heels of a dominating victory in the District 13 3A meet, held Thursday, April 26, at Sanalucos High School. The Raiders scored 190 points, compared to 58 for runnerup Cardinal Newman.

**Coach** Willie McDonald said the Raiders will be facing some very tough competition in the regional meet. Homestead, which beat Glades Central early this season, will pose a particularly strong challenge.

Hopefully, the Raiders will be able to advance about 15 kids to next weekend's state meet, McDonald said. The top four regional finishers will compete in the state meet.

A key for Glades Central will be field events, McDonald said. "If we can get off to good start with our

field events, we should look pretty good."

Looking toward state, McDonald said the team's injuries will be very important.

"Right now, my main concern is getting our injured back together."

Two Raider tracksters, David Billing and Eric McPhee bounced back from the disabled list to claim firsts in the district meet. McPhee ran the 440 in 49.9 to pace the field, while Billing won the 100-yard dash with a 10.1 mark.

Other first place winners in the district meet were: Arthur Burnett, 120 high hurdles, 15.2; Louis Oliver, 330 hurdles, 40.7; Alfred Field, 880-yard run; John Ford, 220-yard dash, 22.2; Joseph Abram, shot put, 50-4; Charles Dower, long jump, 21-7; Lawrence Duncan, high jump, 6-4; Roy Bailey, pole vault, 11-0.

Raider teams in the mile, mile medley and 440 relays also placed first in the meet. Mile relay members are Thomas Stewart, Antonio Holmes, Eric Smith and John Ford.

Mile medley competitors are Stewart, Clyde Benjamin, Alonzo Allen and Antonio Holmes.

Tim Sims, Allen, Benjamin and Ford also compete in the 440 relay.

**Girls**  
Raider Coach Jay

Seider said of Friday's regional, to be held in Tropical Park, "This is when the best teams start coming together."

All the teams who make it to the regional have good, competitive teams, he added.

Seider said he hopes 10-12 girls will be able to make the trip to state tourney, next weekend in Winter Park. "Our goal is not just to get there but to win our third consecutive title," he said.

The Raiders easily outdistanced the rest of the field to win their sixth consecutive district title, Thursday, April 26, in Sanalucos. The girls tallied 121 points, beating Cardinal Newman second place 62 point total.

Sophomore Evette Lyman continued her track dominance this season with victories in the 100-yard dash, 11.23; and 330 hurdles, 47.45.

Seider said Ann Jones had one of her better meets, winning the discus with a 120-2 toss. Rechina Johnson won the 110 hurdles.

The Raiders mile medley relay team of Shawn Bynam, Joan Hart, Garcia Tucker and Gladys Milton placed first in the meet.

Mile relay team members Mauvalin Stafford, Lyman, Leonty Mann and Tucker also placed first.

**JEROME POWELL**, of Pahokee, finishes off his 21-3/4 effort in the long jump at Thursday's district meet.

**A PAHOKEE Blue Devil** breaks out of the blocks in the district meet held in Clewiston, Thursday, April 26.

## Blue Devils race to state

**PAHOKEE** -- Pahokee High School boys and girls track teams will be trying to bring home state titles Saturday, May 5 in Winter Park.

The boys, who overall finished second in last week's district meet, will send 8 athletes to the state tourney. Coach Antoine Russell is confident the team can upgrade last year's second place finish. "I'm just going to try to sneak by, if I can," he said.

The district champion girls will send seven athletes to defend their state championship. Coach Eddie Rhodes said while he had hoped to send more girls, the team can still win, if everyone performs at peak levels.

"The key is individual events, if we do all right there, I think we have a pretty good chance," Rhodes said.

**Boys**  
Statebound boys include Cecil Dryden, Andrew Berry, both in the quarter mile, Jeffery Frost, half mile; Donald Edwards, high jump; Reginald Mickens, 330 hurdles; the mile medley squad; and the mile relay team. State qualifiers had to finish in the top two at the district meet held in Clewiston, Friday, April 27.

Russell said in order to win state the Blue Devils need victories in the mile relay and quarter mile events, with high finishes in several other events. "It's a stiff order, but it's always tough at state," he said.

The toughest competition at state should come from district champ Clewiston and Suncoast. Russell said he's hoping these two teams neutralize each other and allow the Blue Devils to escape with the state crown.

Last Friday, the boys were edged out of the district title by Clewiston. Russell credited Clewiston Coach Al Morrell with an excellent job of preparing his team.

Pahokee's lack of depth hurt in Clewiston, Russell said, adding that the 15 boys which make up this year's team performed as well as they could.

Russell said the only individual disappointment was the inability of high hurdler Vinton Oliver, conference champion, to qualify for state.

**Girls**  
Seven girls qualified for the state meet on their way to a district championship in Clewiston, Friday.

Blue Devil state representatives will include: Beverly Hickman, 440-yard dash, mile relay and mile medley; Pam Laws, 100-yard dash, mile medley and 440 relay; Chequita Kato, 440 relay; Allene Addie, mile medley, mile relay, 440 dash; Sherrel Newkirk, mile relay, mile medley; Mary Pitts, 440 relay; Karen Josephs, 440 relay, 220 dash, mile relay.

Rhodes said the Blue Devils will have to chalk up points in individual events to have a shot at the state crown.

Although the Blue Devils capped a district title, Friday, Rhodes said he hoped more athletes would qualify for the state meet.

Hickman was the only individual winner for the Blue Devils in the district, winning the 440 dash with Addie bringing home second place.

The girls team efforts played a big role in the district win as the 440 relay, mile medley and mile relay teams all finished first for Pahokee.

Rhodes said Josephs made a big contribution with her second place finish in the 220-yard dash.

## Gator softball team wins regional

**A GATOR** takes a called strike in Tuesday's regional game against Moore Haven. Glades Day prevailed, 18-3.

**A GATOR** beats the throw to the plate in Tuesday's 18-3 regional rout of Moore Haven.

**By TOM KISKEN**

**BELLE GLADE** -- Its on to the regionals, for the Glades Day School girls' softball team.

The girls beat Moore Haven High School, 18-3, Tuesday, May 1, to gain the Regional Six A title and head on to the sectional championship, Friday, May 4 against the winner of the Tampa Prep or Brandon Christian regional game, also played Tuesday.

Coach Mandy Perez said that if the Gators face Brandon, Glades Day would enjoy home field advantage. However, the Gators would have to play Tampa at the enemy park.

The winner of the sectional championship advances to the state tourney next weekend at an undetermined site.

Perez said his team has a shot at the state title. "If we don't get rattled—that's the key," he said.

Tuesday's regional romp was called after four innings due to the 15-run rule.

The Gators blew the door open with an 11-run second inning, capitalizing on seven bases on balls.

While Moore Haven was besieged with control problems, Glades Day's pitcher Mary Lynn Thompson had nary a walk. "She pitched an outstanding game," Perez said.

## Kathy Cupstid came through with a home run, a triple, and five RBIs.

Kathy Cupstid, the Gators most dangerous hitter, came through with a home run, a triple and five RBIs. Becky Teets and Kay Taylor each contributed a double and three RBIs for the Gators.

Thompson helped her own cause with three hits, three runs and two RBIs. Neena Mock drove in a pair of runs on two hits. The Gators advanced to the regional on the strength of 6-5 squeaker over cross-town rival Christian Day in the district finals, Friday, April 27.

Glades Day took a 6-2 lead in the game, but saw the Crusaders battle back with a three run homer by Brandi Schunk in the seventh.

Thompson had another strong game at the plate for the Gators with two hits and two runs. Jamie Wills contributed two RBIs on one hit.

In earlier district action, the Gators also beat King's Academy Thursday, April 26, 5-1 and dusted Indian River, 18-3, Tuesday, April 24.

## Mace Sod wins national berth

**SOUTH BAY** -- The Mace Sod softball team won their second consecutive Nationals berth with a second place finish in the qualifying tournament, held in Ocala, April 28-29.

Mace Sod will be competing against about 85 teams in the B division nationals held Labor Day weekend in Perkasie, Pa. Last year the team finished 40th in the C division of Nationals.

Coach Pope McMullen is not looking just to improve last year's mark. "We've got a real good chance of winning it all," he said.

With the addition of some players from last year's Nationals champs, Apollo Park, West Palm Beach, the Mace Sod squad should be competitive with anyone, he said.

The team won four of six games in the Ocala qualifying tourney. Both losses came at the hands of a team, Pluto, which has already qualified to compete in the A division of a world tournament.

Sam Howell and Jackie McClain excelled at the plate throughout the weekend for Mace Sod with eight homers apiece. Greg Dahl powered six homers of his own.

Jimmy Herring hit over 500 for the tourney, while both Mike Underwood and Sonny Stein contributed timely power.

Brandon Markham and Todd Kirik both made their mark with some outstanding defensive plays.

## Lee, Cunningham win ARC tourney

**BELLE GLADE** -- while Janice Goforth scored a 70 for the second of a sudden death playoff to capture first place in the Association of Retarded Citizens-Kiwanis Club golf tourney, held Saturday, April 28.

Lee edged out Oscar Dominguez for the title after both men shot even par 72s at the Belle Glade Country Club.

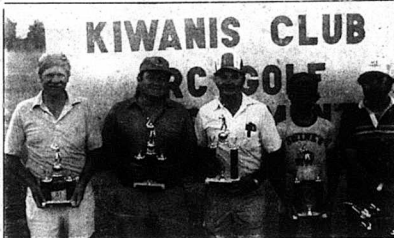

Rheta Cunningham shot a course record 78 on her way to the women's championship. 15-year old Tom Schlechter shot a net 64 to win the men's handicapped crown.

Complete results include: Ladies net: Goforth, 70; Ricky Arons, 72. Ladies gross: Cunningham, 78; Eva Spooner, 99.

Men's net: Schlechter, 64; Kenny Caviness, 65; Theodis Williams, 66. Men's gross: Lee, 72; Dominguez, 72; and Sandy Hyneman, 76.

RHETA CUNNINGHAM set a new course record, 78, on the way to winning the women's division in the ARC-Kiwanis Club golf tournament.

ARC golf tourney winners were: Sandy Hyneman, third gross; Oscar Dominguez, second gross; Willie Lee, first gross; Tom Schlechter, first net; and Ken Caviness, second, net.

TOP women golfers in the ARC Kiwanis Club tourney held Saturday, April 29, at the Belle Glade County Club included, from left: Ricky Arons, second net; Rheta Cunningham, first gross; Janice Goforth, first net; and Eva Spooner, second gross.

ARC-Kiwanis Club tourney winner Willie Lee

## CDS students to attend 41st Boys State

**BELLE GLADE** -- the American Legion feels the youth of Raul Cepero, a Junior at Christian Day School, has been chosen by the Belle Glade chapter of the American Legion as its representative to which grant and control the actions of free people.

The 41st session of Boys State will be held in Florida State University in Tallahassee June 24 through June 30.

Each representative must be a responsible, mature thinking student. Only boys with outstanding qualifications such as leadership, courage, honesty, honor, loyalty and service are selected. Each must be a good student, especially in Civics and American History.

The American Legion, Department of Florida, is sponsoring Boys State to assist in the education of youth in the duties, privileges, rights and responsibilities of American Citizenship.

As future voters and possible office holders,

## Correction

In the April 19 issue of the Herald-Observer, the First United Methodist Church in Belle Glade was mentioned as being the delegation responsible for raising funds from the Black

Gold Jubilee fair-marathon.

It was the First United Methodist Church of Pahokee that had raised approximately \$2,000 to be used to purchase robes for the church choir.

## CDS choir concert slated

**BELLE GLADE** -- The Christian Day School Crusader Choir will be presenting their Spring Concert at 7:30 p.m., Tuesday, May 8.

The event will be at the Dolly Hand Cultural Arts Center, Belle Glade. Admission is free and open to the public.

TERRY GIVENS, seated, signs to play his basketball next year with Daytona Beach Community College. Watching, from left, are: Harold Taylor, Glades Central basketball coach; Dan Brown, athletic director; and Mattie Givens, Terry's mother.

## Givens signs with jr. college

opportunity for Terry," he said.

Givens said he hopes to use the two-year junior college as a stepping stone to a four-year school.

The Raider star will join a formidable team. Last year, Daytona Beach recorded its fourth consecutive 20-win season, with a 20-12 mark.

Ray Ridenour, Daytona coach, said, "I think Terry can play quite a bit for us." Givens would be given a shot at playing guard, but would not

likely end up as a running forward, the coach said.

One of the biggest benefits Givens will receive from the school, Ridenour said, is a chance to further his education. Academics are stressed at the college, he said, noting that not one player has been lost over the last two years due to poor grades.

A 1982 Glades Central grad, just recently signed a letter of intent to attend Hardin Simmons University, in Texas.

Ridenour reported that last year Haynes averaged 18 points a game for Daytona Beach. Haynes attended Stetson University for his freshman year of college.

Givens former Raider teammate, Edwin Haynes played at Daytona Beach last year. Ridenour reported that Haynes

## Local girl to compete in collegiate tournament

Paula Anderson, daughter of Joan & Hubert Anderson and former star athlete at Belle Glade Christian Day School will be participating in the upcoming National Collegiate Softball Tournament to be held in Tampa on May 4 & 5.

Paula, a member of the lady Sunblazers of Florida International University, plays first base and left center field.

This is the last year for a National slow pitch Tournament as the National Assoc. had decided to go fast pitch. It will also be the final year for softball at F.I.U. They have decided, like some other Southern colleges, that they cannot remain competitive since the high schools and Jr. Colleges, in this area, continue to play slow pitch.

## Softball League has 20 teams

**BELLE GLADE** -- Some 20 local teams are getting ready for another season of softball with the advent of the Belle Glade City Softball League.

Mike Underwood, Belle Glade assistant recreation director, said he hoped to begin play by May 7, but has had to push this date back because of the lateness of entry fees.

The new deadline for entry fees is Thursday, May 3. Fees can be paid to Underwood at City Hall.

The league is growing every year, Underwood said. Four years ago just six teams competed in city play. Last year 17 teams competed in the league.

Underwood said he is considering expanding the league from two to three divisions.

Last year's defending B champion is Glades Sugar. The A champion, Okeelanta is not competing this year. Mace Sod was last year's A runner-up.

Teams signed up for play this year include: Mace Sod, Ricky's Department Store, All Stars, Glades General Hospital, Sugar Supply, Carter Chevrolet, Glades Sugar, Seminole Supply, F&W Farms, Sonny's Hardware, AG Service, Pahokee Merchants, Glades Groves, Royals, Crosby Mobile Home, Everglades Memorial Hospital, Sheriff's Office, Carter Chevrolet, Everglades Farm Equipment and Osceola Farms.

# A pioneer retrospective on Glades history

Editor's note: The following is the first part of a series examining the experiences of one of the pioneer Glades families, the Henry Wilson Martin Family. The story was compiled by Ruth S. Irvin and was told by Nancy Martin Murray and Henry Jurden Martin.

By Ruth S. Irvin

"Our father, Henry Wilson Martin, was born at Fort Meade, Florida on October 18, 1885. He grew up around the area where West Frostproof is located. He made a trip to North Florida where he met Mamma, Bessie Mae Wells. She had been born near Jasper, Florida on April 1, 1889. They were married at Mayo on January 22, 1911.

"They lived for a short time at Fish Bone near Cedar Key. Annie Mae was born there on February 18, 1912. Daddy and Mamma moved back south to the area where he grew up near West Frostproof and they stayed with his family for a short time. They then moved to a place known as Tiger Bay, no longer in existence,

which was then a phosphate mine. Daddy worked at the mine until he and Mamma had four more children. I, Nancy Rachel, was born on Dec. 30, 1913. Raymond Thaddeus was born on March 27, 1915. Thelma Irene was born on May 24, 1916. and Henry Jurden, was born on April 6, 1919.

"The doctor who delivered Henry, or 'Sonny', said that he would never live because he was premature and weighed only two and a half pounds at birth. His diaper was a handkerchief and he was placed in a shoe box filled with cotton to keep him warm. He not only lived but he soon grew into a husky boy.

"Our family then moved back to West Frostproof where Daddy home steaded 160 acres of land. He worked in nearby orange groves, truck farmed and set out a grove on his land.

"Shelly Earnestine was born on March 19, 1921 and Minnie Lucy on May 9, 1922. Robert was born Feb. 2, 1926, after we had moved to the Belle Glade area to live.

"Our family had other relatives who had moved

to this area before we came. Uncle Tommy Wells, Mamma's youngest brother, and his wife were living here. Uncle Tommy enlisted in World War I when he was only fifteen or sixteen years old. He served in France until he came home in 1920. He worked as a commercial fisherman on Lake Okechobee for a while. He and his wife now live in La Belle. The stories that he can tell about his experiences on the lake and in the Glades when he was a young man would fill a book.

"Daddy's only living sister and her husband Henry lived at a place on the lake a mile or so west of where Ave. E ends today at State Road 715. Uncle Henry died and Daddy bought their one room house from his sister and took over squatter's rights.

"Daddy had proved up on his land at West Frostproof. He sold it and came down before us. He built on to the house so it would be large enough for his big family. It was hard to believe that they had farmed in front of the house the spring of 1922. The rains came in the summer and Daddy could then tie up his boat to the front

porch.

"Mamma and all of us came down by train on January 22, 1923, to Moore Haven, for that was about the only way for us to get to the Glades. We came across the lake to South Bay on the mailboat. Daddy met us in his boat which was called the 'Tad Pole'. It had a round bottom which made it roll. If anyone moved, it would almost tip over. It was after dark when we started on around the lake. Daddy had a lantern tied to the front of the boat and it was scary as the boat moved through the dark. If one of us moved, the boat would tip and all of us would scream and scramble over to the other side. Daddy finally had to take off his belt to get us to sit still and not turn the boat over.

"We spent the first night at Uncle Loney Martin's house which was south of a dead river. Our house was south of the next dead river which was known as Copper's River. The next day we went on to our house which fronted on the lake. 1922

BELLE GLADE-PAHOKEE, FL.

### Morris concert set at Center

BELLE GLADE -- Country and Western singer Gary Morris will perform tonight at the Dolly Hand Cultural Arts Center, Belle Glade.

The performance begins at 8 p.m. and tickets are \$15.

In September, 1980, Gary Morris released his first Warner Bros. single, "Sweet Red Wine." Cash Box immediately predicted that "country music will have another hot act." With a succession of five top ten singles

and his first album on Billboard charts for six months, this prediction has quickly proved true.

Gary's string of hit records began with the smash country rocker, "Headed For A Heartache," followed by "Don't Look Back" and "Dreams Die Hard." These three songs made Gary Billboard's New Male Singles Artist Of The Year for 1982. The hits have continued with "Velvet Chains," the Continued on 5

### 'Pioneer Spirit' unveiling set at Bank of Belle Glade

BELLE GLADE -- The Bank of Belle Glade will have a premier exhibit of "The Pioneer Spirit" by artist Graham Ingels from 4 to 6 p.m., Thursday, May 3. It is open to the public.

The exhibit will be unveiled in the lobby of the main office, 108 S.E. Ave. D, Belle Glade and consists of five mammoth oil paintings.

The Bank of Belle Glade opened in 1963. It was the Pioneer community independent bank in Belle Glade. In 1978 the bank expanded and renovated its Belle Glade office.

At that time, the Board chose Glades artist Ann Tyler to depict the story of the Everglades. Her subject matter was the original settlers, the Seminole Indians.

Today, the focal point in the bank lobby is a nine foot by 24 foot oil painting of a lifese

Seminole Indian returning from a successful hunt of curlew, a native ibis.

Bank of Belle Glade President Wayne Mikell said, "The effort to commemorate the pioneering spirit was well received and so appreciated, that the board decided to have historical artist Graham Ingels continue the story."

Ingels is a renowned illustrator who has made his mark on Florida as a historical painter. The work is now completed and Ann Tyler's director.

Ingels began extensive research three years ago. He spoke to residents who remembered and the bank's resident historian and director, James A. Ball, Jr.

"The story is now completed and the series takes up where Tyler left off, approximately 1850, then brings the history of the Glades up to the present.

Ingels begins with "The Founders". Here the Seminoles are driven into the swamps. The white settlers meet to trade at the Trading Place, circa 1870, and they clear land for a home in this unclaimed frontier.

Time goes on in his next piece "Breaking Ground". The beginnings of primitive agriculture are evident with land reclamation, surveying and planning. Water traffic on Lake Okechobee is plentiful, carrying passengers and general freight as well as supporting flourishing catfish industry.

"The Storm" portrays the prospering settlers. Catfish and wild pigs are two major sources of revenue and sustenance. Hooker and West Mercantile and Greer's Packing House are two local industries. But spring floods repeatedly plague the settlers and

in 1928 a devastating hurricane claims 2,000 lives.

In "The Harvest", controlling the vast expanse of Lake Okechobee means a new life for the Glades area. The Hoover Dam, flood locks and water control contribute to the success of farming and early in the 1960's sugarcane planting brings a new era of prosperity.

"The Crossroads of Achievement"...the Glades today: an established community offering residents many resources. There is religious, medical, banking and cultural institutions, the Agricultural Research Center, Palm Beach Junior College, Cultural Center of the Arts and the Chamber of Commerce. Now it is 1984 and time for the Belle Glade area to again move forward to greater achievements.

### Pahokee BPWA celebrates 50th year, honors charter member

PAHOKEE -- Fifty years ago, business and professional women throughout the Glades first met and formed the Business and Professional Women's Association.

Saturday night, April 28, Pahokee BPWA members celebrated their 50th anniversary at their annual dinner banquet held at the Lake Club.

Carolyn Taylor, the only charter member of the BPWA, said she still enjoys being a part of the organization after 50 years. "They're just a nice group of girls, its more fellowship than anything, although its hard to pick out one thing that makes it special," she said.

Back in April, 1934, Taylor said she first joined BPWA because her boss, a Miss Blackman, was one of the founders of the organization. The club was a success right from the start, Taylor said.

"Over the years," Taylor said she has moved in and out of Pahokee, adding that she kept active with BPWA when town. She noted she served one term as a BPWA officer, acting as treasurer.

Taylor was presented a plaque at Saturday's meeting, commemorating her term of service. Mary Giddens, president of the Pionette BPWA of Lakeland, congratulated all past and present Pahokee members for their dedication to the organization. "You have every right to be proud," she said.

Installing this year's officers, Giddens expressed confidence that BPWA would continue to be an important part of the community. "There will always be women helping women

BPWA," she said.

New officers for 1984-85 include: Maureen McNulty, president; Kathi Ligon, first vice president; Becky Bush, second vice president; Tommie Lee Dubose, recording and corresponding secretary; and Faith Sasser, treasurer.

Giddens outlined each woman's responsibilities. "You will be the voice of your club this year," she told new president McNulty.

Outgoing officers were also recognized, including: Deah Kahle, president; McNulty, first vice president; Sasser, second vice president; Ligon, recording secretary; Ill Mae Lampi, corresponding secretary; and Cindy Deese, treasurer.

New officers entertained BPWA members at the dinner with a skit recognizing special moments in the club's 50-year history. All past presidents and officers were recognized at the dinner.

Four members of the Pahokee chapter have served as BPWA district directors and all were recognized at the dinner: McNulty, Doris Sasser, Lampi, and Ally Oakie.

Musical entertainment was provided by Willona Tyson, past BPWA member, and new member Vickie Renfro. Robert O. Lampi accompanied Renfro on the piano.

Renfro was presented a flower from the district director for being the youngest BPWA member. BPWA members also presented Giddens with a present, in appreciation of her appearance at the dinner.

INCOMING Pahokee Business and Professional Women Association officers are, from left: Faith Sasser, treasurer; Becky Bush, second vice president; Maureen McNulty, president; Kathi Ligon, first vice president; and Tommie Lee Dubose, secretary.

MAUREEN McNULTY, left, presents Pahokee BPWA charter member Carolyn Thompson with an honorary plaque.

THIS work of art will be among those displayed as part of the Pioneer Spirit art show, which premieres Thursday, May 3, from 4-6 p.m. at the Bank of Belle Glade.

THIS work of art will be among those displayed as part of the Pioneer Spirit art show, which premieres Thursday, May 3, from 4-6 p.m. at the Bank of Belle Glade.

MAUREEN MCNULTY, left, presents Pahokee BPWA charter member Carolyn Thompson with an honorary plaque.

# South Bay children enjoy Fun Day

**SOUTH BAY**—South Bay youth gathered at Douglas Tanner Park, Saturday, April 28, for the Second Annual Fun Day.

South Bay Commissioner Willie Marshall said the day was a big success. "We had a lovely time," he stated.

Kids of all ages competed in a variety of events and games throughout the day. As Marshall said, "It was just a day for the kids to enjoy themselves."

The highlight of the day came with the appearance of the Pink Panther at the talent show held Saturday night at Rosenwald Elementary School.

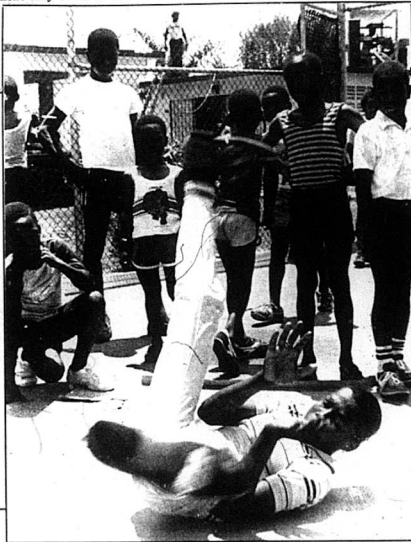

Youth displayed any talent they chose at the

school. Marshall said the turnout was very good as many parents came to watch their kids perform.

Fun Day was co-sponsored by the City Commission and New Bethel AME Church. The church raised an estimated \$400 through a Fun Day concession stand.

Marshall said there are already plans for another Fun Day next year. He said he hoped the profits from future Fun Days could be used toward building some type of youth recreational facility.

"We really need to create something for the kids," he said.

**FUN DAY**, Saturday, April 28, was an opportunity for South Bay children to just enjoy themselves. Here they display one shows his twirling skills.

**THE PINK PANTHER** was a big hit with the kids at South Bay's Fun Day, Saturday, April 28.

## El Dorado Club plans Mothers Day

The El Dorado Civic Club of Belle Glade Annual Mother's Day Program will be Sunday, May 13, at 3 p.m., at the Belle Glade

Municipal Center. The Club will be honoring 12 outstanding mothers in our community and surrounding areas who

have demonstrated certain qualities. Chairlady Vivian Byrd is extending an invitation to all organizations and the

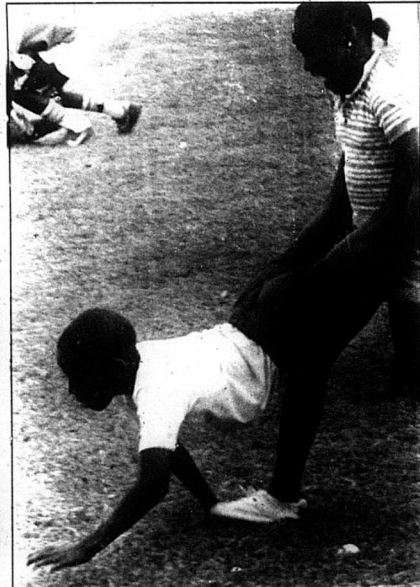

general public who would like to attend this program. A special invitation to mothers who were honored last year.

## Field Day observed by students

**PAHOKEE**—East Lake Middle School students took a break from the classroom routine with Field Day, Thursday, April 26.

Classes competed against each other in basketball shooting, relays, 60-yard dash, volleyball and water balloon toss.

Top classes in each grade were, in order: Fifth grade: Mrs. Kahle; Mrs. Masters and Mr. Blakely. Sixth grade: Mrs. Rutledge, Mrs. Hill and Mrs. Burroughs. Seventh grade: Mrs. Judd, Mr. Henderson and Mr. Mincey.

A HUMAN wheel barrow at East Lake Middle School.

**IS IT RAINING?** Yes, but only temporarily. An East Lake Middle School competes gamely in the balloon toss during Thursday's Field Day.

## Parent meeting rated a success

The recent Parent Meeting sponsored by Rosenwald Elementary School at the Dolly Hand Cultural Center was a tremendous success according to Earlyne Harrell, principal. The 475 persons in attendance responded to the comments shared with them by Dr. Cleo Higgins, Vice President of Academic Affairs, and Dean of the Faculty at Behtune Cookman College,

Daytona Beach. Dr. Higgins challenged parents to be good role models for their children, to be consistent in developing effective rules for children, to share, communicate and assist the school in providing a positive learning environment. The morning session of the Parenting workshop was conducted at the Rosenwald School by Dr. An-

nette Gaines, Director of Education at Bethune Cookman College. She shared with the staff many activities to improve parental involvement with the school.

A reception hosted by the Bethune Cookman College Alumni Association was held prior to the afternoon session.

## County school lunch menu

May 7 - May 11

### Monday

Roast beef with meat sauce, or the big virginian or plenty a pasta salad bar. (Choice 2) corn cobbler, golden french fries, crispy lettuce & tomato, chilled fruit, french bread.

### Tuesday

Slippery joe on a bun, pizza Italiano, or pack a pocket salad bar. (Choice 2) Seasoned green peas, golden french fries, golden salad, chilled fruit, chilled juice.

### Wednesday

Chicken, corn dog, or greater water n' salad bar. (Choice 2) mashed potatoes with gravy or golden french

fried, candied carrots, crispy lettuce and tomato, chilled fruit, hot buttered roll.

### Thursday

Tasty turkey with dressing, hamburger on a bun, or build a better burger bar. (Choice 2) Sweet potatoes or golden french fries, harvest green beans, golden salad, chilled fruit, hot buttered whole wheat roll.

### Friday

Submarine or tostado, mex-icali salad bar. (Choice 2) vegetable soup, golden french fries, crispy lettuce and tomato, chilled fruit, chilled juice.

Milk is served to elementary students. Milk or milkshakes are available to secondary students.

An East Lake Middle School student tries to catch a water balloon.

It only takes one.
